

## About Crossover Camp

For nearly 20 years, Crossover Basketball Camps have been helping boys and girls develop skills in both the game of basketball and in life. With campers from up to 15 local schools, You will find our camp experience to be different from many, here's why:

- Camper to Counselor Ratio is 4:1
- Time spent each day in character development (our desire is to build great players who are humble teammates)
- Championship Thursday Night (we believe in the importance of families, so we have developed a family night to our camp experience.
