Success!

Each year we select a theme. This year, we are so grateful for the wisdom and discernment of the

Holy Spirit as we selected this theme. It comes from Psalms 46:10, "Be Still and Know that I am God." We cannot allow fear, uncertainty, or anxiety overtake us during this challenging time. We are resting in the confidence that God is in control.

MASKS

Elementary students: If you need your mask made smaller, please return it to your teacher with your name and your teachers name. They will be sewn and returned by next Friday (9/4). There will be a flyer going home in the student's Friday folders explaining they can return masks in their folder on Monday and it will be returned next Friday.

Middle School/High School students: If you need your mask made smaller, please be sure they are labeled clearly and return to Homeroom Teacher, and they will be completed by next Friday.

Preschool students: Please return to teacher and they will be returned next Friday.

Covid Updates

Elementary Gym: All elementary students are permitted to come to school on days they are scheduled to have gym already dressed for gym. This update specifically impacts students in 4th and 5th grade. In previous years, students in 4th and 5th grade were required to bring gym clothes to change into. Due to COVID, we are eliminating the requirement for students to change in the locker rooms and allowing them to come to school already dressed for gym. Male students are allowed to wear dress or cargo shorts during the months of August, September, May, and June. On gym days, male students are permitted to wear athletic shorts to school during those months. Once we enter October, male students will be required to wear a pair of athletic pants over their gym shorts when they come to school. Once in gym, male students may remove their athletic pants and wear their shorts for the duration of gym. Once gym is over, male students must put their athletic pants back on over top of their shorts. Female students are not permitted to wear shorts to school without being accompanied by athletic pants. However, female students are permitted to wear athletic capris or leggings to school on gym days. Female students may take off their athletic pants off and wear their shorts only for the duration of gym. Once gym is done, female students must put their athletic pants back on over top of their shorts. All students who are scheduled to have gym on Chapel Tuesdays are permitted to wear athletic clothes to school and are not required to wear chapel dress.

Middle School and High School: Male students in middle and high school are not required to wear a tie to Chapel. Male students will still be required to wear a button or polo dress shirt with a collar and dress or casual pants.

If your child is packing a lunch, please make sure to include all necessary items in their lunch box that they will need (utensils, condiments, etc.).
