Gym Class!

In gym class this week we played miniature golf! We learned how to properly hold a golf club and swing and we learned how to keep score (you want the lowest 😊). It was fun getting past the challenges at each hole. Each class even got to create their own course to challenge themselves and their peers! We had several hole in ones! It was a fun week in gym!

REMINDERS

DECEMBER Character Counts: SELFLESS LIKE ESTHER

Our Character Counts Bible hero for DECEMBER was ESTHER, a Jewish girl who became the Persian King Xerxes' wife because of her beauty. Esther is known for selflessly putting her own life at risk in order to save the lives of her people, the Jews. Our December Character Counts recipients each put the needs of others before their own and help make Meadowbrook a better school with their Esther-like actions.

Elementary: Abigail Perrotto, Charlee Anspach, Eleanor Killian (not pictured), Kaylee Ward
