Bestill & KNOW THAT I AM GOD
Cub Crawl
WEDNESDAY, SEPTEMBER 30th

New Teacher Feature: My name is Sarah Blauser and I am blessed to teach Pre-Algebra, 1st-12th grade art classes and help with worship in chapels. This year is my 21st year of teaching, but my first at Meadowbrook.

I was born and raised in Pennsylvania (Scranton/Wilkes-Barre area). I graduated from Baptist Bible College in 1999, now Clarks Summit University, then moved to Southern California. I spent the next 14 years in California teaching at a Christian school there. I met my husband at my church in California while leading worship. And, oddly enough, he was ALSO from Pennsylvania and had lived in Wilkes Barre. We were married a year after meeting and the Lord blessed us with three children. All three kids now attend Meadowbrook (Sutton 5th, Hudson 3rd and Lillian 2nd).

We moved to Dallas, TX just after our daughter was born. I was blessed to teach at a wonderful Christian school there for 7 years. Although we loved Texas, my husband and I were missing family. We felt God was leading us back to the land of our birth, the great state of Pennsylvania. The Lord provided several job offers to teach at a few schools around the area, however my family and I felt strongly that Meadowbrook was where God was leading us. We couldn't be happier to be here. It is a blessing to be close to family and friends again and we can't WAIT to see our kids enjoy all that Pennsylvania has to offer (namely snow!).

Thank you for allowing me to teach your kids this year. I absolutely LOVE my job and ADORE my students.

Substitutes Needed

Meadowbrook is looking for substitute teachers and staff that can be called upon in the event of illness or absence of present staff. Substitute teachers need a 4-year college dress (not necessarily a teaching degree). Substitutes for other areas do not need a college degree. Please use the link below for more information and how to apply.
